

## MODERATOR BIOGRAPHY

**Ashish Yadav**

**Head of Strategic Alliances and Technical Product Marketing, SFS, Capgemini**

Ashish is a leader, speaker, and mentor. She lives by her values of passion and integrity.

She has over 20+ years of experience in leading engineering organizations and handling Strategic partnerships for Start-ups and Fortune 500 global technology companies.

Previously, she served as AVP Engineering for the 5G wireless group at Altran, handling the delivery organization of a 200+ members team and 50+ customers.

She is passionate about diversity and is a Telecom Infra Project Diversity group committee member.

Her passion is to help education for underprivileged children and help increase the impact of women in tech.

She lives in California with her husband and teenage son. She loves reading and hiking. She volunteers for programs that help in education for underprivileged children.

Ms. Yadav has a Bachelor of Technology in Computer Sciences from Maharshi Dayanand University, India.
