

## EXECUTIVE BIOGRAPHY

**Jeff Sharpe**

**Senior Director 5G/IoT Edge AI Solutions  
Supermicro**

Jeff Sharpe directs Supermicro's IoT/Edge programs, one of the most dynamic parts of the business, encompassing a heterogeneous mix of product formats across multiple verticals

Jeff has led Supermicro's efforts in bringing AI-enhanced IoT solutions to the market. Jeff's vast experience in the telecom industry has enabled Supermicro to release a full range of specialized IoT products, including AI inferencing solutions for radio access networks.
