

Executive biography

Kevin Homer

VP of Sales

Iterate.ai

Professional:

Kevin has over 25 years of experience in the high-tech industry, focusing on direct sales, managing teams, and deploying Channel and MSSP practices. An entrepreneur at heart, he joined Vericept and LogRhythm as an early employee.

Personal:

Outside of work, Kevin is dedicated to faith and family. He founded Bridge of Hope Greater Denver, a non-profit supporting single mothers and their children. He's also backpacked over 400 miles of the Colorado Trail with his two sons and plans to complete the journey with them in the coming years.
