

## Executive biography

[Davis Stone](#)

**Head of Growth and Partnerships**

**Arcee AI**

Davis is focused on developing strategic partnerships and aligning Arcee.ai solutions to the needs of their enterprise customers. Having worked with the Arcee.ai founding team since its inception in 2023, Davis has helped to ensure that the core vision of delivering secure, practical, and cost-efficient AI solutions remains at the center of everything they build. Prior to Arcee.ai, Davis supported early-stage generative AI startups at AWS.
