Owen Wei

Owen Wei is the Ecommerce Manager at UP Bridge the Gap, a brand by AAEON Technology Europe. With over 10 years of experience in product strategy, business development, and industrial AI solutions, Owen helps developers and businesses accelerate innovation through AI-ready hardware ecosystems.

Daniele Cleri

Daniele Cleri is Senior Engineering Manager at AAEON Europe, where he leads the development of AI edge computing solutions, including the UP ecosystem. With deep expertise in AI, IoT, and embedded platforms, Daniele plays a key role in designing scalable systems and supporting developers through every stage of their AI journey. For more than 7 years at AAEON, he has been helping shape the tools, modules, and documentation that power the UP AI Ecosystem, making it easier and faster for innovators to bring their AI ideas to life.
